

PERMANENT COURT ISSUE WILL NOT DIVIDE THE PARTY

This is Opinion of Sen- ator James Watson of Indiana

(By The Associated Press)
PITTSBURGH, April 27.—The Republican party, committed to a policy of non-involvement in the disputes of Europe, will not permit itself to be seriously divided over the world court issue, in the opinion of Senator James E. Watson, of Indiana, one of the party leaders, as expressed tonight in an address before the Republican American club of Pittsburgh.

The Indiana senator did not go into details as to his own attitude toward American membership in the court, but he declared recent developments abroad had given "fresh warning to use to hold ourselves aloof" from European quarrels. The nation can best serve the world, he said, by keeping free of "all entangling alliances and independent of all foreign involvements."

Without referring directly to the unequivocal stand for American membership taken by President Harding in his speech before Associated Press members, Senator Watson quoted from another part of the president's address in which it was declared that "our problems at home invariably call for first consideration" and that the world court question should not be made paramount to others confronting the federal government.

"I concur," the senator said, "in the thought and sentiment expressed in these statements. During the debate on the league of nations as well as on the Fordney-McCumber bill, there were those among us who insisted that we never could have prosperous times in the United States unless and until we joined the league of nations, but the inescapable fact remains that we are prosperous to a progressive degree and yet are not in the league of nations. The theory vanishes in the presence of the fact."

"Exports for the United States for the fiscal year ending June 30, 1914, the last year before the war, amounted to \$2,364,579,148, while for the twelve months ending December 31, 1922, they totaled \$3,331,032,194, or an increase of \$1,000,000,000 in what we sold, and yet we are not in the league of nations and do not intend to go in."

"And at the same time our imports which in 1913 were of the value of \$1,792,596,480, in 1921 had risen to \$2,509,147,570, and in 1922, after the passage of the Fordney-McCumber bill, to \$3,112,486,542, or an increase of \$1,225,889,762 over 1913 and \$603,238,972 over 1921, in what we bought, and yet we are not in the league of nations and do not intend to go in."

"While some seeming differences have developed in the Republican party over the world court, yet I believe that finally they will be smoothed out without producing discord in our ranks, for, whatever else may be said or done we all are determined not to enter the league of nations as a matter of course, but to become involved in the endless turmoil that for two thousand years has cursed the continents of Europe."

"A great majority of the American people are opposed to surrendering the rights, interests and ideals of this nation to any scheme of alien supersovereignty in the world, nor have they any intention, either hidden or expressed, of dragging this republic into the league of nations. And as a matter of course, practically all Republicans are diametrically opposed to any such scheme. We are resolved at all hazards to maintain our inheritance and keep a firm hold on our sovereignty, and while fondly hoping that the league of nations may bring peace to shattered Europe and prosperity to her struggling millions, and, while gladly aiding to bring about that desired end with our traditional policy, yet we steadfastly shall decline to be drawn into their political involvements or entangled in their financial catastrophes."

CONDITION OF RAINEY IMPROVED

Chicago, April 27.—The condition of Congressman John W. Rainey of the fourth Illinois district who is ill with double pneumonia in a hospital here, was reported as somewhat improved late tonight by Dr. W. J. Hyrly, his attending physician. Dr. Hyrly said that Mr. Rainey's condition was still very critical but the prospects for his recovery were brighter tonight than they had been during the day.

Friday evening, about 9 o'clock a Ford roadster, belonging to J. G. Capps, was stolen from the corner of West State street and Westminster street.

The car was a 1923 model, and had been owned by Mr. Capps a short time. No clew has yet been found.

ATTORNEY REFUSES TO PROVIDE NAMES OF GIRLS FOR JURY

Court Gives Him One Week to Cite Legal Opin- ions

(By The Associated Press)
ST. JOSEPH, April 27.—Walter Nelson, Detroit attorney who is suing and being sued by the House of David, refused today to provide the grand jury with the names and addresses of girls who are said to allege they were criminally assaulted by Benjamin Purnell, head of the colony.

Nelson, who represented Mr. and Mrs. John Hansell in their \$80,000 suit against the cult in federal court at Grand Rapids last week, is attorney also for the Bamford sisters, who are suing Purnell for \$100,000 each for alleged improper relations, and is also defendant in a \$150,000 slander suit brought by the House of David.

Harry Dingeman, of Detroit, presiding judge of the Michigan circuit bench, who is sitting as a one man grand jury in the state's investigation of the Purnell colony, gave Nelson a week to cite legal opinions in support of his stand that the information in his possession is privileged.

Nelson told the grand jury that the names and addresses came to him from clients and were therefore privileged communications.

Purnell has been missing for months and Sheriff George Bridgman has been unable to locate him to serve a capias issued in the Bamford girls' suits.

Two more marriages took place at the colony today when the principals who were refused marriage licenses Wednesday by order of attorney General Andrew Daugherty, succeeded in obtaining the papers. A third couple whose application was held up by Mr. Daugherty eloped to Crown Point, Ind., yesterday and were married there.

TWELVE DIE IN TENEMENT FIRE

(By The Associated Press)
NEW YORK, April 27.—Flames that suddenly enveloped a five story tenement in East 169th street early today killed 12 persons, six of them children, and led to injury of more than a score of other tenants.

The family of David Mandelbaum, on the top floor, was trapped. Mandelbaum's son, Hyman, crawled with his father to the fire escape and was saved. Mandelbaum tried to go back for his wife and six other children, ranging in ages from 1 to 16 years, but failed.

Yesterday Mandelbaum had made the last payment on a farm upstate. In the apartment adjoining that of the Mandelbaums an entire family perished. Aaron Kuxis, his wife, their daughter Bertha, 21 years old, and their 18 year old son David, were found dead on the floor near the open door.

Bertha was engaged to be married. She would have been saved out she went back to get her wedding dress. When her body was found a bit of scorched lace was clutched in one hand.

Mrs. Isaac Brownstein, who lived on the third floor, died in a hospital from burns.

At daybreak the fire was under control. The origin of the fire has not been determined.

(By The Associated Press)
CHICAGO, April 27.—Raymond M. Galagher, of Notre Dame won first place tonight in the final contest of the international inter-college oratorical association at Northwestern University, speaking on the subject "A Century of Isolation." There were six contestants and each spoke for a period of twenty minutes on a subject of his own choosing.

Harold Johanson of Carleton speaking on "The Liberal College in America," took second place, and third honors went to Simon Heemstra of Pope College, Holmdel, Michigan, whose subject was "The Challenge of the Ideal." Six states were represented among the entries.

HEAD OF MACHINE COMPANY DEAD

Beloit, Wis., April 27.—Porter B. Yates, founder, president and general manager of the H. H. Yates Machine Company, the world's largest wood working machinery plant, died shortly before noon today in a Chicago hospital, where he had gone for treatment several weeks ago, according to word received here. The direct cause of his death was pneumonia.

OIL REFINING PLANT DESTROYED BY FIRE

Hammond, Ind., April 27.—The Martin Oil & Refining company plant just without of Hammond's corporate limits was destroyed by fire today which was caused by the explosion of gasoline in an oil furnace. Grant Stevenson, a still man, was seriously burned. The loss may reach \$150,000.

AT MAGNET ELEVATOR BURNS

Mattoon, Ill., April 27.—A large elevator belonging to J. W. Moberly of this city burned at Bagnot on the Illinois Central railroad south of the city last night. Three thousand bushels of corn also burned. Sparks from a passing engine are believed to have started the fire. A loss of \$5,000 is partly insured.

ACTIVITIES OF COMMUNISTS IN U. S. ARE RELATED

Witness Tells What Party Accomplished in This Country

(By The Associated Press)
ST. JOSEPH, Mich., April 27.—Three Russian relief organizations which raised more than \$1,000,000 in this country were set up by the communist party of America official representatives of the Moscow international, for the dual purpose of raising relief funds and spreading the communist doctrine in churches and conservative labor unions, the secretary of the communist party testified on the stand here today.

Jay Lovestone the witness, was appearing as a defense witness for Charles E. Ruthenberg, charged with advocating criminal syndicalism.

The defense read Lovestone's report to the communist convention at Bridgeport last August, where Ruthenberg was arrested. The report disclosed that the friends of soviet Russia, trade, trade unions relief unions and federated committee were all three subsidiary organizations of the communist party. The friends of soviet Russia alone had collected \$725,000 in money and \$450,000 in clothing, medicines and other supplies up to July 15, 1922.

Like other communist groups and relief organizations were all known by letters but as the report was read, Lovestone, in the witness chair, identified each.

The friends of soviet Russia were called the "B" the trade union relief committee was known as "F", and the federated committee formed to work where others could not was the "FC."

Lovestone was put on the stand as a defense witness to identify minutes of the executive committee of the communist party and lay the foundation to prove testimony of Ruthenberg as to the program of the workers' party, the legal branch of the underground communist organization, Ruthenberg is to be recalled when Lovestone completes his testimony.

Lovestone's report to the Bridgeport convention, besides disclosing the directing hand behind the relief work, and the purposes for which it was started, also revealed that the federal press a labor press service, is controlled and guided by the American communists and their Moscow associates.

Gains Considerable Headway.
"The past year," Lovestone's report says, "has seen the party make considerable headway in controlling and guiding the most important labor news agency in the country—the Fred. This agency has been of great service to us, especially in meeting the attacks of Gompers and Hoover."

The Lovestone report also asserts that the communists got control of the non-partisan league in North Dakota and through their activity defeated Senator McCumber and elected Governor Frazier to the senate in his place.

Lovestone's report also confirmed the claim of the prosecution in the Foster trial that Foster's "Labor Herald" is owned by the communists, as are the Voice of Labor, edited by Thomas O'Flaherty who is awaiting trial here and The Worker. The report said the communists also were publishing "eight underground official organs" and that "illegal leaflets were issued on the Tulsa massacre, the Mingo affair, and the West Virginia trial." The so-called Tulsa massacre was a race riot at Tulsa, Okla., the "Mingo affair" the armed march of the West Virginia coal miners, and the West Virginia trial referred to was the trial of those arrested for murders during the mine war there.

The report said that the money contributed by Americans for famine relief had also helped the standing of the communists at Moscow. Prior to the relief work the American section of the communist movement was looked down on as of little importance.

A report said, "but today our American section holds an important place in the third international," this Lovestone continued was largely due to the success in relief work.

CITY OF MIAMI TO MAKE LONG TRIP

New York, April 27.—The steamship City of Miami of the Barber S. S. Lines sailed in Baltimore today for Milwaukee, via Halifax, N. S. The vessel, which is of 1,816 tons registry is expected to make the trip through the St. Lawrence river and Great Lakes in about three weeks. Upon arrival the ship will be taken over by a Milwaukee firm for operation on the Great Lakes.

Plan to Use Navy In Rum Running Fight

(By The Associated Press)
WASHINGTON, D. C., April 27.—A plan to use the navy against the rum smuggling fleet off the Atlantic coast has been worked out by the administration. It was said at the white house today and will be put into effect if the president is found to have the necessary legal authority.

The department of justice has been asked for an opinion as to whether the president has power to declare an "emergency" and use the armed forces of the government to curtail the operations of the rum smugglers.

Announcement of the decision to utilize naval craft in curbing the activities of rum smugglers in the event there is no legal barrier, was made after it had become known that the state department again had requested the co-operation of Great Britain in checking rum running.

New representations to the London government seeks its assistance in preventing ships, flying the British flag, from engaging in the liquor traffic between foreign ports and the United States. The co-operation of the Canadian authorities also has been requested.

Prohibition Commissioner Haynes for some time has been urging that the navy be utilized to stop the operations of the rum fleet.

It was emphasized at the white house that in the enforcement of the law the president desired to proceed with strict legal circumspection and not use any legal powers. There was doubt whether the president had the power to proclaim the smuggling an emergency warranting the use of naval vessels to enforce civil or criminal laws. Another legal question was said to be whether the president had the authority to divert appropriations made by congress for the recognized activities of the navy to use in enforcing prohibition laws.

RAILROAD LABOR BOARD DECISION UPHELD BY COURT

Will Issue its Decision Citing the Penn- sylvania

(By The Associated Press)
CHICAGO, April 27.—The United States Railroad Labor Board will issue its decision citing the Pennsylvania railroad for failure to comply with the board's decision issued in July 1921, ordering the road to hold a new election to select employee representatives in the shop crafts, as soon as the three new members of the board have been named by President Harding, Chairman Ben W. Hooper announced today, following a conference with Pennsylvania officials at which no agreement was reached.

The announcement was made following a conference between board members and E. T. Whiter, vice-president of the Pennsylvania in charge of the northwestern region and E. H. Senoff general solicitor for the road.

Today's conference and its result mark the end of a dispute that has been in progress nearly two years between the railroad labor board and the Pennsylvania. In 1921 the board ordered the road to hold a new election among the shop crafts to select representatives of the shop crafts to deal with the road, and ordered the road to have placed in nomination the names of shop crafts union officials not employed by the road if members of the craft desired these officials to represent them in negotiations.

This the road refused to do, maintaining that persons or organizations not employed by the road had no right to represent its employees in negotiations. As the board was preparing to cite the road for failure to obey its decision the Pennsylvania went into the United States courts and obtained an order restraining the board from issuing its decision in the matter.

Asserting that the board was without jurisdiction, the road carried the case to the supreme court which ruled that the board had jurisdiction. Recently negotiations have been in progress in an effort to close up the matter and today's conference marked the end of these negotiations.

ELDRID BOY HAS SERIOUS INJURY

Has Left Leg Caught in Wheel of Plow and Receives Compound Fracture of Left Knee Cap—Condition is Critical.

William Chapman, son of Willis Chapman of Eldred, is in a critical condition at Our Saviour's hospital with a compound fracture of the left knee cap as the result of getting his leg caught in a wheel of a three horse plow late Friday afternoon.

The lad's father is employed on the Fairbank ranch near Eldred. Friday afternoon as the boy was driving a three horse plow when in some manner he fell and his leg was caught in the wheel of the plow. It was twisted around the axle causing the fracture.

The boy was given first aid at Eldred and then rushed to Jacksonville in an automobile, arriving here about midnight. Dr. F. A. Norris was called and gave the necessary surgical attention. Owing to the nature of the injury and the time required getting the boy to the hospital, he is suffering greatly from the shock and his condition is regarded as critical.

Mrs. A. R. Seymour was a shopper from Franklin yesterday.

COOPERATIVE FIRMS HANDLE BUSINESS OF \$100,000,000 VALUE

President of The Association Makes Annual Re- port

(By The Associated Press)
CHICAGO, April 27.—Eight houses owned and controlled by cooperative livestock commission firms are selling cattle, hogs and sheep at the rate of \$100,000,000 annually, President John G. Brown of the National Livestock Producers Association said in his quarterly report to the board of directors made public here today.

The Producers Cooperative Commission association at Buffalo, New York, the report said, handles 15 to 20 per cent of the livestock sold on that terminal market, the Chicago Producers Commission Association handles five to eight per cent of the livestock on that market, the Port Worth Cooperative Market handles 40 to 50 per cent a week, that at Indianapolis is handling from 25 to 30 per cent of the market sales, the one at Kansas City 50 to 60 carloads a week, that at East St. Louis, Illinois, has increased its business 133 per cent in one year, and the Peoria, Illinois, market is handling 35 to 50 car loads of livestock weekly.

The Producers Commission association at Sioux Falls, S. D., will open May 3 and agencies will later be opened at Oklahoma City, Cincinnati and Cleveland, the report said, adding that the association now has a membership of nearly 100,000 livestock producers.

In an address to the board of directors, O. E. Bradfute, president of the American Farm Bureau Federation, said that the time has arrived for the American farmers to cooperate in marketing their products and asserted that the livestock association is only one phase of this cooperation.

DUBLIN, April 27.—A suspension of hostilities by the Irish Republicans against the forces of the free state government, and an effort to negotiate peace with the free state on certain conditions were proclaimed tonight by Eamon DeValera, the Republican leader, and his chief of staff, E. F. Aiken.

DeValera's proclamation set forth the general political principles of the Republicans and asserts that the ultimate court of appeals for deciding disputed questions is a majority vote of the people of Ireland; that resistance by violence should be excluded, but that adequate facilities should be afforded the people for a proper presentation of the issues involved. The proclamation reads that no one holding Republican principles should be excluded from parliament and the councils of the nation. It says the military forces are servants of the nation and amenable to freely elected assembly.

DeValera expresses the belief that his declaration affords a basis for peace, and adds: "We hope this advance will be met in the spirit in which we make it, and that it will be supported by all who love our country and desire a speedy and just ending to the present national trouble."

"As evidence of our own good will the army command is issuing herewith an order to suspend aggressive action, to take effect as soon as may be, but not later than noon of Monday."

The effect of this proclamation is still doubtful. DeValera all along has declared his willingness to abide by a decision based on the free will of the people; but he is said still to maintain his original position that the British government must not interfere in Ireland if the people decide in favor of a republic.

HEAR OF EFFORTS TO PERFECT TRUCE IN HERRIN RIOTS

Legislative Commit- tee is Conducting Probe at Marion

(By The Associated Press)
MARION, Ill., April 27.—How efforts were made to perfect a truce the night before the outbreak and after three union miners were shot was told by witnesses today to the legislative committee investigating the Herrin riots.

William H. Warder, a lawyer, said that late that afternoon he went to offices of the Greater Marion association and heard Col. Sam Hunter, personal officer of the staff of Adjutant General Carlos E. Black, report to General telephone that two union miners had been killed and another wounded that afternoon at the mine operated by W. J. Lester.

The witnesses said that Hunter told Black that he had been unable to get in touch with Sheriff Melvin Thaxton and that the local officials had done nothing. He said he did not have authority to make a request for troops and that later Hunter telephoned C. K. McDowell at the mine that he should agree to close the mine and put up a flag of truce and that McDowell agreed.

Hunter then tried to reach Hugh Willis, executive board member of the Illinois mine workers at Herrin and could not get him but talked over the telephone to the vice president of sub-district No. 10 the witness said and told him of the truce arranged with McDowell.

Judge D. T. Hartwell testified that he had met Hugh Willis the same evening in Marion and had gone with him to the office of Delos Duty, state's attorney where they found Sheriff Thaxton. Willis, according to Judge Hartwell said that he had been informed that Lester had wired to close the mine and told the sheriff he wanted him to go out there with him and disperse the crowd. "The sheriff said, 'do you think we had better tonight or tomorrow' and Willis replied, 'I'll leave that to you.' Judge Hartwell said and added later Col. Hunter was called in and he had him tell Gen. Black on the phone, "that it looks like everything is under control." He said it was decided before he left the office shortly after midnight that Colonel Hunter and the sheriff were to go out to the mine early the next morning.

Major Robert Davis, a national guard officer of Carbondale, previously testified that he and Colonel Hunter had agreed to meet the sheriff at six o'clock the next morning and go to the mine to see that the truce was carried out. Sheriff Thaxton also previously testified that he did not reach his office until about 8 o'clock that morning. Closely questioned regarding the details of his actions, his almost invariably reply was "don't know, but I might of." When the party finally reached the mine they found that the non-union workers had been taken out by a mob and the buildings were on fire.

Twenty-three of the non-union men were slain shortly afterward.

RECOMMEND THAT PHYSICIAN BE EXPELLED

(By The Associated Press)
TALLAHASSEE, Fla., April 27.—The formal report of representative C. H. Kennedy of the alleged intimidation accorded an executive at Clara Wednesday and the resolution adopted by the joint committee investigating the death of Martin Tabert of North Dakota seeking the expulsion of Dr. T. Cappers Jones from the medical fraternity of Florida brought counsel for the Putnam Lumber company here today from Jacksonville to confer with Senator John H. Stokes, committee chairman.

During a short conference Mr. Baker asked Senator Stokes if he was the authority for a quoted statement published in newspapers today that Dr. Jones "seems to have been owned body and soul by the Putnam Lumber company" the chairman said the statement was correct and still "reflected his views."

BOY ESCAPED FROM KANKAKEE HELD HERE

Rudolph Auleus, aged seven years, whose former home was in Freeport, is being held at the police station awaiting removal to Kankakee state hospital from which he recently escaped.

Young Auleus was recently a pupil at the school for the blind and worked in Jacksonville for a while last season, leading a horse with the street paving company. He arrived in Jacksonville on the C. & A. Thursday night, and the police were called to the depot to take care of him. His body and clothing were in a very filthy condition.

Yesterday word was received by the school for the blind that he had escaped from Kankakee.

SECRETARY HUGHES ADVOCATES POLICY OF THE PRESIDENT

Secretary Says We Need Such Tribun- al at Once

(By The Associated Press)
WASHINGTON, D. C., April 27.—Participation by the United States in a permanent court of international justice was advocated tonight by Secretary Hughes in an address before the "American Society of International Law" as indispensable to any plan for the prevention of war and the promotion of peace.

"Whatever else we should have," Mr. Hughes declared, "we need at once a permanent court of international justice. No plan to promote peace can dispense with it. We shall make no progress toward the prevention of war until we adopt a perfectionist policy."

Among the "actual needs" for a world court the secretary cited the requirement of the nation for such a tribunal as a means of disposing of "its own controversies" and judicially adjusting international disputes. Existing means of arbitration, he said "leave much to be desired." He declared the court "an establishment separate from the league of nations, having a distinct legal status created by an independent organic society."

Without mentioning by name any critic in opposition to President Harding's plan for membership in the tribunal, Mr. Hughes replied to several of the objections publicly voiced. The establishment of a world court for peaceful determination of disputes between nations, he said, had long been an American policy.

"If you are to treat participation in a permanent court of international justice as an entanglement foreign to our constitution," he added, "you must rewrite American history."

President's Aim.
"In making this proposal," Mr. Hughes said, "the president has been animated by the desire to promote world peace and stabilization; he has sought to give effect to a long cherished American aspiration and to pursue the projected course of the clear line of our traditional policy. With full appreciation of the intensity of feeling aroused by the controversy of recent years we can not fail to realize the importance of having the subject considered upon its merits and the supreme need is an understanding of the facts which should remove uncertainty and quiet association."

"As the president has explicitly stated, it is proposed to support the permanent court of international justice, it is not proposed to enter the league of nations. Those who desire that by this method the United States shall become a member of the league are indulging in vain hopes, that those who are alarmed at such a possibility are entertaining vain fears. The test is a close one. If the senate should approve the president's recommendation, the United States would still be outside the league. Acceptance of the president's proposal as to the international court will not obtain for the United States a single right or subject it to a single obligation under the covenant of the league."

A THOUGHT

Smite a scorned, and the simple will beware; and prove one that hath understanding, and he will understand knowledge.—Prov. 19:25.

THE improvement of the understanding is for two ends: First, our own increase of knowledge; secondly, to enable us to deliver and make out that knowledge to others.—Locks.

It may have been Henry Ford's idea or possibly one of his

executives suggested it. At any rate it is worthy of his wonderful organization to conceive the idea of banks throughout the country co-operating in Ford sales. The plan as outlined seems to benefit everybody concerned.

The enterprising students of one high school in Decatur have taken orders for 24,000 doughnuts to be delivered today, the money raised to be used for a certain school enterprise. Think of the number of cases of indigestion there will be in Decatur tomorrow.

It is said that one-fourth of the personal taxes assessed in Chicago last year remain unpaid and that many millions are thus still due Cook county. This condition has caused the well known newspaper writer, Oscar Hewitt, to say that there is nothing to the old story that one cannot escape death or taxes. However, he limits this observation to taxes.

The budget for the University of Illinois carrying \$10,565,000 passed both houses of the general assembly by unanimous vote, and the signature of Gov. Small has been affixed.

The needs of the university have evidently been thoroughly impressed upon the general assembly and the vote, together with the ample provision of funds, indicates how genuine is Illinois' interest in education.

The fact that Sheriff Thaxton of Williamson county testified before a legislative committee that he did not want troops sent into Williamson county at the time of the Herin trouble is being headlined in the papers. The sheriff at no time made a secret of this fact, altho he admitted that he had only four deputy sheriffs in service at the time he opposed the sending of state troops.

If you will look up the improvement history of Jacksonville you will find that every stretch of street pavement has justified itself. This does not mean that every individual who has paid a public improvement assessment has felt pleased about it, but does mean that after a pavement has been in and used the greater majority of property owners affected are satisfied that the improvement program was wise.

Not a great deal of noise has been made about the recent statement of Federal Judge Wilkerson in Chicago that from this time forth there will be no light punishments for convictions in liquor cases. The judge has indicated his intention to impose prison or jail sentences rather than assess fines. That is a very significant statement and if the

BERTON BRALEY'S DAILY POEM
OMINOUS WORDS

By Berton Braley

THERE'S a prospect most alluring
In the thought of motor-touring
And of kysapping the highways far away from our abodes,
Till amid our contemplation,
We receive the information—
"Heaven help us, they've been 'working on the roads'!"

WE can navigate the washes
Where the water whirls and sloshes,
We can chug through dismal marshes full of snakes and
frogs and toads;
But we raise a doleful chorus
When this terror is before us,
Heaven help us, they've been "working on the roads."

FOR we know the perils lurking
Where the highway gangs are working,
How they dump the mud in mountains and the stone in
mighty loads;
When no other vision daunts us,
Here's a fear that always haunts us—
Heaven help us, they've been "working on the roads."

PUNCTURE, blowouts, engine trouble
Fret the owner of a bubble,
And he's always getting tangled in the local laws and codes;
But there's none of these that feazes
Like that awful of phrases,
Heaven help us, they've been "working on the roads."

Twenty years ago Forest Butner found himself swamped with debts in his old home town, Lexington, Ky. "Some day I'll come back and pay you in full, with interest," he told his 14 creditors.

The years slipped by. In the memories of the 14, Butner became a vague phantom, seldom intruding on their attentions. The other night the 14 were invited to attend a banquet as guests of a mysterious stranger. The mysterious stranger, of course, was Butner—now a wealthy Oregon fruit grower. To each of his old creditors he handed an envelope containing a check in full for the old debts with compound interest to date.

"I am supremely happy for the first time in years," Butner is quoted as saying when he took the train back west.

Any one of us would be, returning in triumph to the old home town under similar circumstances.

At this time of year your memory turns back to the community in which you spent your youth. You yearn to return.

If you go, you come back rather disappointed and disillusioned. You found the pump closer to the house, and all other distances similarly shortened, compared with the picture you carried in memory. Probably, as the train neared the old home town, a thrill went thru you. You jumped off, looked eagerly about for familiar faces.

Alas, the faces were strange, except that the star pupil of your school days might be found driving a hack or loading milk cans and trunks and barrels and crates on the trains.

Maybe you've had this experience. Most of us have. Maybe too, you found only a few old-time friends when you combed the town, and even they had to be prompted before they could place you. Despite all this, each spring brings a desire to go back to the old associations of boyhood.

And life has few satisfactions greater than to return honorably and in triumph, like the Oregon fruit grower.

This universal interest in the community where we spent our youth is the psychological explanation of the popularity of Lee Stanley's famous comic strip, "The Old Home Town."

When we return there, we learn that old friends have died or scattered to the far corners of the earth, old landmarks torn down. It's like exploring a strange world with only the scenery seeming familiar.

The Old Home Town, friends, is gone in fact. But it lives on in memory, a memory we wouldn't trade for a pot of money. After all, despite its joy being mellowed by a touch of sadness, memory is our greatest possession, also our only permanent one.

PROTESTANT PICNIC
TO BE HELD JUNE 7

Thousands Will Attend Big Event—Hon. T. R. Marshall May Be Speaker—Committee Chairman to Meet Monday

Thursday, June 7th, is the date set for the first annual picnic of the entire membership of the Protestant churches of Morgan county. Thousands of people from all over the county are expected to be in attendance. A big parade, good speaking and band and choruses music, are some of the things being planned for the day. A giant barbecue, under the supervision of Rev. W. E. Spoonst, will furnish adequate satisfaction for the hungry throngs.

At a meeting of the program committee held yesterday afternoon, it was decided to make an effort to secure a speaker Hon. Thomas R. Marshall of Indianapolis, ex-vice president of the United States. Mr. Marshall is noted as a speaker at great religious gatherings, and the committee will be fortunate if they secure him for the coming picnic.

A meeting of all chairmen of committees and the executive committee in charge of the affair will be held at the Peacock Inn next Monday at noon, at which time each committee will submit a report, and definite arrangements for the program will be made. The chairmen of the committees are:

Executive committee—Rev. M. L. Pontius, Rev. W. E. Spoonst, Rev. C. D. Robertson, Amos Swain, Dr. G. H. Kopperl and F. J. Schellfield.

Parade—J. G. Berger.

Program—Rev. T. H. Tull.

Amusements—Rev. W. H. March.

Music—T. B. Hopper.

Social—Mrs. Lillian King.

Finance—H. J. Rodgers.

Refreshments—Rev. Spoonst.

Publicity—Rev. G. W. Rand.

Grounds—Joshua Vasconcellos.

HEALTH PAGEANT AT SCHOOL FOR DEAF

Pupils at the school for the deaf, under the direction of the Misses Solberger and Koester, physical directors, will stage the pageant, "The Victory of Health" at the school Saturday evening, May 12, at 8:30.

This health pageant is planned to show how the various physical activities are a benefit to the health, and to teach the need of establishing correct health habits.

Victory of health over disease is the main theme of the pageant, and the persistence of the trouble lumps show how disease persists in undermining health.

A large cast has been selected, and during the presentation, some wonderful dances will be given by the different pupils.

WINCHESTER TIMES
BUYS HERALD PLANT

With This Week's Issue the Scott County Herald Goes Out of Existence—Other News From Winchester.

Winchester, April 27.—Robert Sperry editor and publisher of the Scott County Herald, has just sold his plant and subscription list to P. K. Nelson, publisher of the Winchester Times, and with this week's issue the Herald will cease to exist.

The Herald has been published weekly for a number of years and during that period has been under several ownerships. Mr. Sperry having been the owner and publisher for the past six or seven years. He is now to take a position in the mechanical department of the Times office.

The Times plant is one of the best equipped in the smaller towns in this part of the state and under the ownership of Mr. Nelson the publication has had a steady and substantial growth.

Children's Party.
Miss Leslie Riggs entertained a company of little girls and boys Wednesday afternoon in honor of her nephew, Jimmy Riggs, the day being his fourth anniversary. The children enjoyed various games on the lawn and refreshments of ice cream, cake and bonbons were served.

"Kindred of the Dust" was presented at the Lyric Friday night part of the proceeds going to the certain fund of the community high school.

O. L. Robinson of Alsey was a business visitor in Winchester Friday.

High school was dismissed at 12 o'clock Friday and many of the students attended the meeting in Chapin.

Court convened Friday morning but adjournment was taken soon afterward because a number of the witnesses in the suit of the city vs. Bates were unable to be present.

E. C. Hamilton of Jacksonville was calling on friends here Friday and looking after business interests.

Wednesday, May 2 is the second Golden Rule day in Winchester and the event is being anticipated with great interest.

DR. DOLLEAR CHOSEN ROTARY CLUB HEAD

New Officers of Organization Begin Duties May 1st—Three Speakers Stressed Value of Boys' Work.

Dr. A. H. Dollear is the newly elected president of the Jacksonville Rotary club and will enter upon the duties of this office May 1. Other officers elected at a meeting of the directors of the club held Friday at the Pacific hotel are:

Vice president—Robert W. Woolston.
Secretary—J. H. Dial.
Treasurer—Arthur R. Taylor.

Earl M. Spink will, as heretofore, assist the secretary in the publication of the Lubricator, the club's weekly news letter to members.

The meeting of the new board of directors was held at 11:30 and at the regular luncheon afterward a program in connection with boys' work was carried out. Boys' week is observed by International Rotary to lay emphasis upon the work possible for boys for the purpose of continuing the interest of the organization in boys' work and the gathering of suggestions for further activities.

Thomas Hopper is the chairman of the boys' work committee of the local Rotary club and arranged for the speakers yesterday. Rev. G. H. Stuckney, member of the Kiwanis club, talked of the relations of the church to boys, and suggested some of the ways possible to help develop boys along the right line thru the interest of present day church methods.

W. L. Kaiser, principal of the Jacksonville high school, had for his subject work as related to boys of high school age. He laid special emphasis upon the changes that have come to pass with the years which have tended to diversify the interests of parents and children. He said there is not the personal supervision in the homes that was once true and that fact meant greater work for other agencies.

Ben O. Roodhouse, the third of the speakers, used his experience as a Scoutmaster as the basis for his remarks. Mr. Roodhouse outlined some of the benefits that would come to the youth of Jacksonville and surrounding territory if a first class Scout council could be established here. This part of the program closed after Mr. Hopper had given a report with reference to a Jacksonville boy that the Rotary club is maintaining at Glenwood school.

A special feature of Friday's program was mass singing in which Albert Motz, the regular song leader, was assisted by L. D. Doge of Pekin, a Roanoke, who is the song leader of the Pekin club. Other guests of the day were Hugh Green and David Orr.

CELEBRATE 104TH I. O. O. F. ANNIVERSARY

Saxon Lodge No. 68, I. O. O. F., and Rebekah Lodge No. 239 of Virginia, Illinois, fittingly celebrated the one hundred and fourth anniversary of the founding of the Independent Order of Odd Fellows at their lodge hall in Virginia Thursday evening, April 26th.

Early in the evening the Rebekahs held a short business session and then the hall was thrown open to the public and an excellent program given.

The speaker of the evening was Judge William E. Thomson of Jacksonville, who delivered an interesting address, recounting the history of the order and the principles and aims of Odd Fellowship.

At the close of the program, ice cream and cake was served to all present.

Among those attending from Jacksonville were Mr. and Mrs. Charles E. Williamson, Judge and Mrs. William E. Thomson and Mrs. Ralph Crabtree.

WARAB PLACES ALL STEEL SERVICE TRAINS

An advanced step in passenger transportation is the inauguration by the Warab railway on May 1, 1923, of new all steel trains in its thru service to and from Chicago, St. Louis, Detroit, Kansas City and Omaha. The purchase of twenty-five additional all steel passenger cars, including chair cars, coaches, dining cars, and club cars, has made possible these thru trains of a type that gives a solid steel construction from end to end.

Some idea of what the new trains represent in traveling comfort and safety may be gained from the fact that each train will weigh over a million pounds. Sixty-five tons of steel are used in one of the chair cars, while the new dining cars represent a weight of eighty tons. This immense weight prevents the jolts and swaying movements of the trains when in motion. The strong steel exteriors make the cars almost indestructible.

Many changes have been made in the interior construction which add greatly to the comfort of the traveler. Improved lighting, heating and ventilating systems are a part of the equipment.

The new all steel trains combine all the latest and best ideas of construction, and are the greatest triumph of car builders' declared H. E. Watts, passenger traffic manager of the Warab in speaking of the new service. "The three essentials in travel today are comfort, safety and convenience. The steel car, which of course is the strongest car that can be made, also permits of interior workmanship of the highest order. The builders are able to include features that are not practical in an ordinary car. The easy riding motions of a heavy steel car is apparent at once. We believe our new all steel trains will have a strong appeal to the traveling public."

The Best Place to Trade After All

Realize what Kellogg's Bran means to your family's health?

Eaten regularly each day, Kellogg's Bran will permanently relieve constipation; it will free you from dangerous toxic poisons that lead to 90% of all human illness; it will remove the cause and sweeten a bad breath; it will clear a pimply complexion thru its work on the bowels. In fact Kellogg's Bran, through its natural action as a bulk, indigestible agent, will tone-up the whole system!

If you knew exactly what constipation means from a medical viewpoint you would lose no time eating Kellogg's Bran yourself and serving it daily to your family. And, Kellogg's is actually delicious, its nut-like flavor adding greatly to the enjoyment of eating cereals. Eat at least two tablespoonsful each day; in chronic cases, with each meal.

There are many attractive ways to serve Kellogg's Bran. Eat it in winter with hot milk as a cereal. Or, mix it with cereals before serving. Many housewives cook it with cereals, in each case adding two tablespoonfuls for each person. You will also enjoy the nut-like flavor of Kellogg's Bran when it has been sprinkled over hot or cold cereals.

You have missed some of the joys of life if you have not eaten raisin bread, muffins, griddle-cakes, etc., made with Kellogg's Bran. Recipes are printed on each box.

Don't delay your fight against constipation; don't lose a minute in the great battle against illness! You can buy Kellogg's Bran from all grocers and you can have it served in individual packages at first-class hotels, restaurants and clubs.

Millions depend on S.S.S. to purify their Blood

SINCE the days of the Cherokee Indians, man has relied upon nature to produce certain barks and herbs to purify the blood. Today, the manufacturers of S. S. S. gather thousands of tons of these certain barks and herbs annually and prepare in concentrated form, scientifically proportioned, that great blood purifier, called S. S. S. This is why S. S. S., since 1826, has been such a great success. It has meant to millions of underweight men and women a plus in their strength. S. S. S. builds blood-today!

Mr. James Chaloupka, Camp Sherman School, Chillicothe, Ohio, writes: "I feel like a new man after taking S.S.S. It gave me a better appetite and cleared my skin of pimples and blackheads." Try it yourself. S. S. S. is sold at all good drug stores. The large size is more economical. Get a bottle today!

C. E. HUDGIN LEASES FORMER BERGER SITE

Furniture Company Acquires Additional Three-Story Building for Display of Goods—Workmen Busy Renovating and Decorating Quarters.

C. E. Hudgin Furniture Co., has leased for a term of years the building on South Main street, formerly occupied by the Berger Motor Co., and is renovating the large store room, to be used for the display of furniture.

This store adjoins the Hudgins establishment on the south, and when it is occupied, the firm will have a sixty-foot front on Main street, with a depth of 120 feet three stories high, all of which space is to be used in the expanding business of the company.

The first floor of the Hudgin establishment will extend to a depth of 150 feet to the west. Mr. Hudgin stated yesterday that the new space acquired would probably be used for the display of dining room furniture.

The room is to be thoroughly overhauled, redecorated and rearranged. A connection has already been made with the main store, and workmen are busy carrying forward the necessary improvements.

The Hudgin company has been crowded for space for some time, and the acquisition of the additional space will give them ample room. They expect to occupy the entire three stories of the Berger building.

I. M. BUNCE PURCHASES BUSINESS PROPERTY

Expects to Erect Building to House Printing Business.

Announcement was made Friday of the sale of the old Reinbach property on East Morgan street by Mrs. Lenora Wright to I. M. Bunce.

The property has a frontage of sixty feet and three inches on Morgan street, and is one hundred and eighty feet deep. The seven room residence, which is on the lot, will not be moved at present, but the space east of it, just across the alley from the Zahn garage, will be used as a lot for a new one story brick building which Mr. Bunce is preparing to build to house the Farm Press. Mr. Bunce expects to have the new building ready for occupancy by fall.

Mr. Bunce has been located the building he now occupies for twenty years. He first entered business here in 1899, on West State street, over what is now the New System bakery a little later moving to East Morgan street, where he has since been located.

She Feels So Good

Since She Began Taking Dr. Carey's Marshroot Prescription for Kidney and Bladder

Read this extract from a very remarkable letter: "My mother suffered so much from kidney trouble, her body being so swollen she could hardly breathe. Her legs and feet were as large as three legs and they were so hot and burned so she kept them all summer in a pan of water. We read in a newspaper how good Dr. Carey's Marshroot Prescription was and got her a bottle. She soon began to get better and went down to her own size. Her legs went down too. She feels so good when she takes it. Her skin was so yellow but since she has taken Marshroot she is so white and looks so much better. We are all taken up with Marshroot for it has saved our mother's life, for her doctor said nothing could be done for her. She was 62 years old and was so filled up with water." (Mrs. S. C. Name and address on request.)

Countless pages might be written regarding the wonderful merits of this remarkable prescription to which thousands—who are now healthy and enjoying perfect health who owe to the use of this great remedy—can testify. Chance Drug Store and all good druggists can give you.

PUBLISH PROGRAM OF WORKERS' CONFERENCE

Home Department and Cradle Roll Workers in Sunday School to Hold Annual Meeting on May 1—Ministers Will Stage Debate.

The program for the ninth annual luncheon and conference of the home department and cradle workers in the Sunday schools of Jacksonville and vicinity was announced last night. The meeting is to be held at Westminster church on May 1, beginning with a luncheon at 12:30 o'clock, to be served by the Westminster Ladies' Aid.

About sixty workers usually attend this conference. They come from the city and various parts of the county. It is the custom for the minister to have the principal parts on the program; and this year the principal feature will be a debate on the question, "Resolved, that the home department of the Sunday school is of more importance to it than the cradle roll." The affirmative will be taken by Dr. F. M. Rule and Rev. T. W. Smith, and the negative by Rev. W. E. Spooner and Rev. G. W. Randle. Rev. G. E. Stickney will preside during the debate. The program is as follows:

Luncheon—Served by Ladies' Aid.

Music, Viola and Piano—The Misses Wilma and Alta Crum.

Devotions—Led by Rev. T. H. Tull.

Reports of Delegates from the Sunday schools.

Music, Piano—Claude Rynders.

NOTED CLUB WOMEN TO CONVEIN IN ATLANTA

ATLANTA.—The "Bi-ennial," the crowning event of every club woman's life, to which she looks forward during the two years intervening from one bi-ennial to the next, is to be held this year for the first time in the south, and Atlanta is to be hostess. The convention will be held from May 7 to 11, and genuine southern hospitality will be dispensed to delegates representing club women and women's affairs from all parts of the world.

Prominent persons in American official and club life are expected to be in Atlanta for the sessions. Among those expected to attend are Mrs. Thomas G. Winter, president of the General Federation of Woman's Clubs; Mrs. George Minot Baker, of Massachusetts; Mrs. Rose V. S. Berry, Mrs. Horace M. Towner, Mrs. Percy Pennyacker, Anna Steece Richardson, editor of Woman's Home Companion and Ida Clyde Clarke, of the Pictorial Review.

Although the delegates will be chiefly occupied with federation business of importance, the social side is not to be forgotten, according to plans announced by Mrs. B. M. Boykin, president of the Atlanta Woman's club and official hostess to the convention, and Mrs. Alonzo Richardson, chairman of arrangements. Social events already planned include a typical southern barbecue, a garden party on the lawn of the Atlanta Woman's club, a trip to Stone Mountain and a concert at its base, visit to the home of the late Joel Chandler Harris, writer of the "Uncle Remus" stories, visit to the Cyclorama to view the \$100,000 painting of the battle of Atlanta, a banquet to visiting press representatives and other functions.

The Atlanta Women's club's new auditorium-theatre, costing \$125,000, has just been completed and a banquet hall to cost \$50,000 will be finished in time to be used to entertain the delegates and visitors. The Atlanta club has a membership of 1,400 and regards its plant as one of the finest in the country.

General sessions of the convention will be held in the auditorium of the Baptist Tabernacle.

SWEDISH QUEEN FOUNDS REST HOME FOR WOMEN

STOCKHOLM.—Queen Victoria of Sweden has just begun the establishment of a rest cure for women as her investment of the \$45,000 which she received on her sixtieth birthday, last year, as a gift subscribed by the women of her country, and her popularity has been enhanced more than ever by this act.

The site of the new rest cure is the picturesque island of Oland in the Baltic, just off the southwest coast of Sweden, where the Queen's favorite summer villa, "Solhagen," is situated. She has purchased three houses, which will be reconstructed for the new institution.

There will be 50 comfortably equipped rooms, together with the corresponding dining room and assembly hall. Swedish women who are in need of vacations, but have limited means, will be received for periods of varying length.

The whole island of Oland is a charming health and pleasure resort, and not the least of its attractions is the romantic atmosphere about the ruined Borgholm castle, which was built some 700 years ago, and has been taken and retaken time and again during the Swedish wars.

FARM FIRE CAUSES LOSS OF \$10,000

A SUCCESSFUL MAN

Among the notable professional men of this country who achieved great success along strictly legitimate lines was Dr. R. V. Pierce. Devoting his attention to the specialty of women's diseases, he became a recognized authority in his line.

Over fifty years ago this noted physician gave to the world a Prescription which has never been equaled for the weaknesses of women. Dr. Pierce, of Buffalo, N. Y., long since found out what is naturally best for women's diseases. He learned it all thru treating thousands of cases. The result of his studies was a medicine called Doctor Pierce's Favorite Prescription. This medicine is made of vegetable growths that nature surely intended for backache, headache, weakening pains, and for the many disorders common to women in all ages of life. Women who take this standard remedy know that in Dr. Pierce's Favorite Prescription they are getting a safe woman's tonic so good that druggists everywhere sell it in both tablet and fluid form.

Send 10c to Dr. Pierce's Invalids' Hotel in Buffalo, N. Y., for trial pkg. Write for free medical advice. (adv.)

DEATHS

Smith.
Benjamin F. Smith died at 3:40 o'clock Friday morning at his home, 700 Ashland avenue. Deceased was born March 18, 1862, at the family home three miles northeast of Concord.

Mr. Smith had been employed for the past 18 months as flagman at North Main street crossing of the Wabash. He and his family moved to this city from Chapin, where they had resided for twenty-four years. During this time Mr. Smith did railroad work.

Mr. Smith was married November 5, thirty-four years ago, to Miss Mallicote, who with the following children, survive him: Albert and Frank Smith, of Granite City, Mrs. William Henry of Arenzville, and Mrs. Jesse Delph of Chapin. The decedent is also survived by three grandchildren and the following brothers and sisters: William P. Smith of North Pine street, Aaron Smith of Arenzville, John Smith of LeRoy, Kansas, Mrs. Elizabeth Seawalt of Concord and Mrs. Evelyn Fisher of this city.

Funeral services will be held at 2 o'clock Sunday afternoon from the Christian church in Concord, with interment in Mt. Vernon cemetery.

Filey.

Mrs. Laura E. Filey died at her home near Alexander at 9:45 o'clock Thursday evening. She was the wife of Albert Filey, who survives, together with an infant son, William Raymond Filey.

The deceased was born March 5, 1901, in Wayne county, Ky., the daughter of William and Anna West Hayes. She was married to Mr. Filey in Jacksonville during February of 1922. She is survived by her parents, two brothers, William and Raymond Hayes, and two sisters, Mrs. Florence Arthur and Miss Opal Hayes.

Funeral services will be held at 2:30 o'clock Sunday afternoon at the Asbury church, in charge of Rev. F. M. Rule. Burial will take place in Asbury cemetery.

Hawk.

The Woman's college authorities have received word of the recent death of Mrs. George Hawk at Oeheltree, Kan. She was before her marriage Miss Cornelia James, and graduated from the college here with the class of 1892. She was a sister of Edmund James, ex-president of the University of Illinois.

Dunn

Charles Clinton Dunn passed away at 4:30 o'clock Friday afternoon at his home two and a half miles south of Chapin. He was born in Scott county March 24, 1872, the son of William and Malinda Dunn, who survive him, together with one brother and one sister, George A. Dunn of Sessor, Ill., and Mrs. Joseph Barry of this city.

Funeral services will be held at 2:30 o'clock Sunday afternoon at the residence of James Bonds, in charge of Rev. F. M. Crabtree of Chapin. Interment will be in the Lewis cemetery.

FUNERALS

Rayborn.

Funeral services for the late Henry S. Rayborn were held at 2:30 o'clock Friday afternoon from the residence, 851 Grove street. They were conducted by Rev. M. L. Pontius, assisted by Rev. T. W. Smith.

Music was furnished by a quartet consisting of Mrs. Ashford Ater, Miss Cora Abernathy, C. L. Mathis and W. W. Gillham. Flowers were cared for by Mrs. George Brown, Mrs. Marshall Smith and Mrs. Alice Lawson.

The Masons had charge of the services at Diamond Grove cemetery. Julius G. Strawn was worshipful master, and Rev. G. T. Wetzel acted as chaplain. Pallbearers were: George Brown, Marshall Smith, William Burmeister, Ashford Ater, J. W. Bowen and George Riggs.

JACKSONVILLE LOSES DEBATES TWO TO ONE

Teams are Beaten by Springfield and Quincy—Considerable Dissatisfaction Over Result of Local Contest—Old Rivalry is Evident

A double defeat was inflicted on Jacksonville high school debating teams last night by Springfield and Quincy. Both the affirmative and negative teams lost their contests by two to one decisions.

In the debate with Springfield at the auditorium here, the old-time rivalry between the two towns showed itself. The judges' decision caused considerable dissatisfaction among a number of fair minded people, who expected a unanimous decision in favor of the local team. It appears that the Jacksonville debaters really had the best of the argument and put up a stiff fight to the finish.

Judges of the local debate were Prof. Charles Hawk of Rushville, Prof. C. W. Pratt of Peoria, and Attorney Roy Ramseyer of Bloomington. The Springfield debaters were Francis Dryden, Frederick Dailey and George Hockenos.

The Jacksonville affirmative team which debated here consisted of Caroline Doane, Edward Hill and Lee Baldwin. The negative team, which debated at Quincy was composed of Allan Kelly, Harry Furry and Edith Huyle.

The judges at Quincy were Principal E. B. Freshwater of Macomb, Prof. L. S. Hopkins of Canton, Mo., and Principal H. T. Leinbarger of Mendon, Ill.

The ship subsidy question was the bone of contention, and was considered by the Jacksonville debaters and citizens a very untimely one. It was Springfield's pet question, tho they evidently failed to see all its good and bad points. Some Jacksonville citizens would like to see the local debaters challenge Springfield to a contest on the same question, to be debated, however, under conditions where both sides would have a fair advantage.

FOUR RECORDS GO IN PRELIMINARIES

Over Thirteen Hundred Athletes Present for Annual Drake Relays—Finals Will Be Held Today.

DES MOINES, Iowa, April 27.—With a record breaking list of more than 1,300 athletes, representing 151 institutions entered in the competition in 14th annual Drake university relay carnival will be held tomorrow with indications favoring a shattering of records. Four records were smashed in the preliminaries and finals of some events today.

The relay carnival ranking in importance in the west to the Penn games in the east, attracted entries from all the universities in the "Big Ten" and Missouri valley conferences and from universities as far south as Texas and Florida and as far west as Oregon. The east will be represented by stars from Carnegie Tech. In addition to the large universities in the midwest virtually every college and many high schools also are represented.

Illinois, Iowa, Michigan, Nebraska, Ames, Kansas, Wisconsin and the Kansas Aggies also will have strong teams in the field tomorrow. Illinois is expected to duplicate its victory in the Kansas relay a week ago by winning the four mile event, while Nebraska and Ames are expected to fight it out in the two mile relay. Iowa, which has one of the best one mile relay teams in the country, is a favorite to capture the one mile event.

Performance in the preliminaries this afternoon and finals in class B high school events resulted in four new records being established.

L. A. Platte, of Denver University heaved the discus 135 feet, 8 1/4 inches, beating the former record of 132 feet, 4 inches made by Lieb of Notre Dame here a year ago. The other records broken were in the high school events. A speedy quartet

from Alva, Okla., broke the record for the one mile relay; North-east High of Kansas City, Mo., smashed the record in the sprint mile race; Port Madison, Iowa, cracked the mark for the half mile relay.

Williams of Kansas State Normal lead the qualifiers in the 100 yard dash breaking the tape in 0:10, for the fastest time of the three heats necessary to reduce the meet. He nosed out Ayers of Illinois by inches. Ayers is a favorite to win the finals tomorrow, although Williams promised to give him a desperate race. Irwin of the Kansas Aggies and Tykle of Purdue are also favored.

Milton Angier of Illinois, holder of the American javelin record at 202 feet, 9 1/4 inches made in these games last year, heaved the shaft 199 feet, 9 1/4 inches today in the preliminaries. Hartman of Nebraska lead the qualifiers in the shot put with a heave of 41 feet, 1 inch, while Van Orden, the Michigan star, ranked second with 40 feet, 7 1/4 inches. Platte, the Denver University star also qualified in the shot put, ranking fifth with a distance of 39 feet, 6 1/2 inches.

Summaries, Special Events (Universities)

120 yard high hurdles qualifiers: Crawford, Iowa; Towler, Minnesota; Shope, Iowa; Riley, Kansas Aggies; Frazier, Baylor, Texas; Johnson, Illinois; Lear, Nebraska; Taylor, Grinnell. Best time by Frazier 0:15 5-10.

Javelin qualifiers: Angier, Illinois; Lingerfelder, Drake; Frieda, Chicago; Moes, Notre Dame; Landowsky, Michigan; Oberst, Notre Dame. Best distance by Angier, 199 feet, 9 1/4 inches.

100 yard dash qualifiers: Williams, Kansas State Normal; Ayers, Illinois; Bier, Washington University; Evans, Illinois; Laydon, Notre Dame; Irwin, Kansas Aggies; Tykle, Purdue; Barr, Notre Dame; Andrewert, Washington University. Best time by Williams, 0:10.

Broad jump qualifiers: Graham, Kansas; Sweeney, Illinois; Simpson, Missouri; Allen, Ames; Hatch, Nebraska; Goodell, Kansas. Best jump by Graham, 22 feet, 4 inches.

Discus qualifiers: Platte, Denver University; Auge, Haskell, Schildhauer, Illinois; Gross, Minnesota; Levi, Haskell, McMahan, Marquette. Best throw by Platte, 135 feet, 8 1/4 inches (new Drake record). Former record of 132 feet, 4 inches made in 1922 by Lieb, of Notre Dame.

High jump qualifiers: Dickson, Chicago; Wright, Illinois; Poor, Kansas; Macelaven, Michigan; Smith, Michigan; Campbell, Minnesota; Turner, Nebraska; Pence, Purdue. Qualifying height 5 feet 11 inches.

OXFORD WINS THE SPRINT MEDLEY RACE

PHILADELPHIA, April 27.—Capturing the college sprint medley race today from the pick of Yankee track stars, Oxford university's sturdy band of runners enabled England to share honors with America in the first day events of the two day relay carnival held under the auspices of the University of Pennsylvania at Franklin Field.

The Britishers, however, were forced to taste defeat in the only other event in which they participated when C. B. Emerson barely finished sixth in the two mile international run, won by Walter Higgs of Columbia, intercollegiate cross country champion in brilliant fashion.

The Pentathlon emblematic of the all-around individual championship developed a new endurance king when C. West, negro star of Washington and Jefferson, who finished third to Legendrea Georgetown last year, triumphed over a picked field of rivals from all parts of the country. In the other major relay championships, Pennsylvania sprinted to victory in the quarter mile event, Georgetown was victorious in the distance medley, and Phillips, Exeter Academy, captured the interscholastic medley from Hamilton college institute of Canada.

HUTCHISON FIRST PRO AT COLDSTREAM

NEW YORK, April 27.—Jock Hutchison, former holder of the American and British open golf titles agreed today to become the first "pro" of the new Coldstream Golf Club of Long Island. He probably will remain the veteran club contract with the Glenview club of Chicago late this season. After a meeting of the club governors with Hutchison it was announced that he would be paid one of the biggest salaries doled out to a "pro" anywhere. The Glenview contract does not expire until next year, but officials there are understood to favor any financial betterment he can arrange.

NO GAME AT INDEE PARK TOMORROW

Manager Frank Smith announced that on account of the condition of the grounds, the Indians will be unable to play the game scheduled with the Lithuanian team from Springfield, Sunday, as planned. Instead, all players already announced, and all others who wish to make a try for the team are requested to appear at the ball park Sunday afternoon for a staff practice beginning at 1:30.

One week from Sunday, May 6, the Indians will meet the fast Peroria Liberties on the Jacksonvill grounds. This team has a high reputation and Manager Smith feels that he has secured a team that will make his players get out and step, if they wish to annex the game.

I. S. D. ALL SET FOR GAME TODAY

Coach Burns' team is all set for the game with Springfield this afternoon, at the institution at 1 o'clock. Springfield is coming with a team that contains the veteran players, and the rest of the line up is showing unusual class, according to the Springfield papers. Glasie will probably be on the mound for the visitors.

The local team will line up as follows: Massinkoff, ss; Miller, 2b; Dillard, cf; Schrader, lf; Clark, rf; Mannen, lf; Rose 3b; Montegard or Cole, c; Carlson, p. The campaign to obtain a sum of \$300 to bring the Iowa state team here for the reunion is still going on. To date they have raised \$113.00, but \$157 is still needed. The boys will be grateful for any donations from their friends.

SILENT OLSON. WRESTLER HERE

"Silent Olson," a professional wrestler was in Jacksonville yesterday, calling on Coach Burns at the school for the Deaf.

He now resides in Quincy and visited this city to find if there is enough interest in wrestling here to justify putting on some exhibitions. He was educated at the Kentucky school for the Deaf, and he has traveled all over the United States, putting on exhibition bouts, with wrestlers in the mid-dleweight class. He now has several matches arranged in Quincy.

PITTSBURGH WINS OVER CUBS IN NINTH

Held Scoreless for Eight Innings, Bunched Hits Score Two Runs in Last Inning for 2 to 1 Victory

PITTSBURGH, April 27.—Held scoreless for eight innings, Pittsburgh staged a rally in the ninth against Chicago today and won, 2 to 1. In the fourth inning the visitors tallied once on triples by Grantham and Grimes. In the ninth Maranville opened with a single. Carey singled and Bigbee's safe bunt filled the sacks. Russell's drive rolled to the center field wall and two runners scored. The score:

CHICAGO DEFENSE CRUMBLES—LOSE 8-6

Cleveland Overcomes Lead and Wins Game in Seventh—Kamm's Hitting and Fielding Featured.

CHICAGO, April 27.—Chicago's defense went to pieces when Cvenogros weakened and Cleveland overcame the locals lead, tied the count and then won out in the seventh by bunching hits off Leverett. It was the sixth consecutive game the Indians have won from the White Sox. Kamm's hitting and fielding was a feature. He cracked out two hits, a single and a double and drove in four of Chicago's runs. In the field he worked perfectly, starting a double killing which nipped the Indians' first rally in the second inning.

Do you know Baseball?

by Billy Evans

Questions:
1. Can a base runner advance on a foul fly that is caught?
2. If a base runner fails to touch a base, does the umpire pay any attention to the failure, unless an appeal is made?
3. What bases must be occupied and how many out for the infield fly to be effective?
4. What must be done when a batter hits out of order to penalize the mistake?
5. Has the catcher the right to block off the base runner at the plate?

Answers:
1. He certainly can if he holds his base until the ball is caught.
2. The umpire pays no attention to such an error unless the mistake is observed by the team in the infield and an appeal is made.
3. First and second, or first, second and third must be occupied and less than two out.
4. The attention of the umpire must be called by the team in the field before a ball is pitched to a succeeding batsman.
5. Only provided he has the ball in his possession, ready to touch the runner.

IMPROVED OUTLOOK
UNSETTLES WHEAT

CHICAGO, April 27.—Improve-
ment in the outlook both for the
spring crop and the winter crop
had a bearish effect on the wheat
market today. Prices closed un-
settled 1 to 1½¢ net lower, with
May \$1.25½ to \$1.25½ and July
\$1.23½ to \$1.23½. Corn finished
at 11½¢ to 13¢ decline. Oats
16½¢ to 17¢ down, and provisions
varying from a set back of 5¢ to
a rise of 2½¢.

Warm weather northwest and
clear skies there appeared to
promise better condition for com-
pletion of the seeding of spring
wheat, and at the same time crop
authorities in the winter wheat
belt, especially in Nebraska, were
issuing reports that previous
rains had given the fields that
previously were supposed to be
of but little worth. Downturns in
Liverpool quotations accompanied
by word that shipments from
Argentina and from Australia
were larger than had been ex-
pected, counted also as a handicap
on wheat bulls here.

Rallies which from time to
time failed to develop any lasting
quality, and the close was at al-
most the bottom figures of the
day. The fact that purchasing of
wheat for shipment to Europe
totalled only 350,000 bushels, and
none of this amount was United
States wheat, seemed to have a
good deal to do with lack of bou-
quancy which the market displayed.
Sales of wheat to go into storage
here were also a subject of com-
ment.

Offers of corn from private cle-
vators here exercised a depressing
influence of values of corn and
oats.

In the provision market, the
effect of higher prices on hogs
was offset by the weakness of
grain.

MURRAYVILLE WOMAN DIED VERY SUDDENLY

Mrs. Henry Seymour Passed Away Friday Night After a Very Brief Illness—Was Well Known Resident of County.

Murrayville, April 27.—Mrs. Henry Seymour a resident of Murrayville for a number of years, passed away at her home there shortly after 9 o'clock Friday night. The death of Mrs. Seymour was altogether unexpected, as she had been in her usual health up until a few moments before her death. Shortly after retiring Friday night she was taken suddenly ill and died before the arrival of a physician.

The deceased before her marriage was Miss Mary Elizabeth McCurley and practically all her life was spent in Morgan county. The family home had been in Murrayville for a number of years past, and the deceased was well and favorably known in the community.

Surviving are the husband and the following children: Mrs. Effie Jones and Mrs. Dora Boesacker of Murrayville; Mrs. William Lovell of near Manchester and Fletcher Seymour of the Nortonville neighborhood. One sister, Mrs. Susan McLamar of Jacksonville, also survives.

Coroner C. A. Rose of Jacksonville was notified of the death of Mrs. Seymour and will empanel a jury and hold an inquest Saturday morning over the remains.

The arrangements for the funeral have not been completed and will be announced in a later issue.

MONEY TO LEND

WOULD CELEBRATE DEWEY'S VICTORY

Spanish War Memorial Commission Issues Appeal to Citizens of State to Commemorate Admiral's Achievement.

Recently Governor Small appointed members of the Spanish American war memorial commission, thereby putting into effect the provisions of an act passed by the legislature April 20, creating such a commission.

The members of this commission includes Carlos E. Black, adjutant general of the state; Col. O. C. Smith, Jacksonville, secretary, together with Col. John J. Garrity, vice chairman; J. Marcus Kavanaugh and Capt. Oscar E. Carlstrom.

The commission had issued a statement addressed to the people of the state urging that next Tuesday, May 1, the twenty-fifth anniversary of Admiral Dewey's victory at Manila Bay, be observed with appropriate exercises. The statement issued by the commission reads as follows:

It is urged and recommended that throughout the state on May 1 next, which is the twenty-fifth anniversary of Dewey's spectacular victory at Manila Bay, appropriate exercises be held in the schools and universities of the state and by other civic organizations commemorative of the Spanish American war and the incidents of oppression in Cuba, extending over a period of years, accentuated by the sinking of the Battleship Maine in Havana harbor on February 15, 1898, which led to the final declaration of war and the mobilization of the troops of Illinois on April 27, 1898, immediately following the declaration.

The significance of the international events and consequences which flowed from the Spanish American war exercised a profound influence and directions on the national affairs of our country and gave to the United States its first recognition as a power and an influence in the directions of the world's affairs. It gave to America its first impulse on the achievement of its national program and purpose to impress upon the world the idea of international humanitarianism, a characteristic in its international relationships which the United States has since adhered to. The outstanding basis for the development of this attitude of the United States was found in the purpose of our government in exerting its military and naval strength to lift the yoke of oppression and tyranny from the peoples of Cuba and Porto Rico, and, as an incident of the war, extending a like boon to the people of the islands of the Philippines, and the stirring example to the world which our government set by returning to China the thirteen millions allotted to the United States of the Boxer indemnity, to be used as an educational fund to enable Chinese young men and women to attend American universities and schools.

The incidents of bravery and heroism in the Spanish American war, though the war itself was of short duration, were such as to imbue the whole people with a patriotic zeal that they had not experienced since the Civil war. The news of Dewey's victory at Manila was electrifying, and subsequent events of the Spanish American war brought into public prominence such immortal characters as Colonel Theodore Roosevelt, Major William McKinley, then president of the United States, and other distinguished men whose names have been written large upon subsequent American history.

There has never been a time when a renewal of patriotic devotion and loyalty to government and law was so essential to be taught as at the present time. And it is the belief of the Commission that these exercises, if entered into with the proper spirit and purpose to revive the memory of the stirring events of 1898, will accomplish a great service and tend to elevate the standards of our conception of true Americanism. It is urged, therefore, that in the schools and colleges of the state that an hour be devoted to the review of the events of the history of the Spanish American war on May 1st; that speakers familiar with the subject be obtained and patriotic programs be carried out in connection with the addresses on the Spanish American war. Surely nothing can be more essential to touching the child life of America than the spirit of loyalty and patriotism which must flow from a realization that unselfish sacrifice and devotion alone have preserved and transmitted to the present generation America's splendid institutions and opportunities.

It is the purpose of the commission to issue, as soon as it is possible to prepare the same, programs for the observance of other commemorative dates on which outstanding events transpired during the Spanish American war, but as the school year will soon close it is urged that the school children be permitted to participate and have the benefit of these exercises by the holding of patriotic commemorative services on the first day of May next.

It is requested that a report of all exercises held on May first be mailed to the secretary of the Spanish American War Memorial Commission at Springfield, Illinois.

FUNERAL SERVICES FOR W. L. ALEXANDER

Large Company Gathered for Final Rites in Memory of Well Known Citizen.

The funeral services held Friday afternoon in memory of William L. Alexander at the Alexander apartments, 857 West State street, were very largely attended. The services which were in charge of Rev. M. L. Pontius pastor of Central Christian church, were of a simplicity quite in accord with Mr. Alexander's tastes, as this well known citizen of Jacksonville had nothing of ostentation in his make-up.

Mr. Pontius who has been on terms of intimacy with Mr. Alexander made reference to the rare patience with which the deceased met the discouragements of the long period of illness and then indicated that he was refraining from further comment upon a useful, active life, in deference to the wishes of the family and of Mr. Alexander.

After quoting from Tennyson's "Crossing the Bar" which he said in its sublime faith expressing sentiments especially appropriate for the occasion, Mr. Pontius read the fourteenth chapter of John, from the Psalms and other Scripture passages and the service was closed with prayer.

From the residence the cortege moved to Diamond Grove cemetery, where Mr. Alexander was laid to rest after the impressive Knights Templar ritual had been spoken. W. A. Fay serving as commander and Julius G. Strawn as prelate. The bearers were Carl and Clarence Yeck, Clifton Corrington, George Franz, Harry Sperry and Edward Ktiner.

The floral emblems which were in especial profusion were cared for by Mrs. J. W. Lane, Jr., Misses Dorothy Stribling, Dorothy Farrell, Isabel Ames and Eugenia Woodman, assisted by L. W. Brown, John Strawn, Charles Joy, George Orear and Frank Corrington.

Among friends of the family here to attend the funeral services were Mrs. W. E. Hull, Peoria; Mrs. A. H. Cochran, Jerseyville; Mrs. Harry Cory, Granite City; Mrs. Annie Dickson, W. E. Killen and F. B. Henderson of Springfield.

ALEXANDER RUSSELL FRACTURES RIGHT ARM
Alexander Russell, fourteen year old son of Mr. and Mrs. Andrew Russell, 1109 Mound avenue, was the victim of an accident yesterday while doing a deed of kindness.

The Russell family were expecting another son, Andrew, home from the university to spend the week end at home, and Alexander was decorating the room in honor of his brother's visit.

While on a chair, hanging a flag, he had the misfortune to slip, fracturing his right arm just above the wrist.

MR. CALHOUN TOPPED ST. LOUIS MARKET
W. C. Calhoun, farmer-feeder-merchant of Morgan county, was on the St. Louis cattle market recently with a consignment of cattle that included six head of 1155-pound short two-year-old Hereford heaves that sold at \$9.50 a hundredweight, topping that market for the day. A car of 28 steers and heifers that scaled 600 pounds each brought \$8.75 a hundredweight. Bulk of sales on same day at St. Louis were made at a range of \$7.00 to \$8.75 a hundredweight while the Calhoun cattle brought \$9.50 a hundredweight. This shows a margin of seventy-five cents a hundredweight in favor of the good Herefords from Morgan county.

Mr. Calhoun, who conducted the feeding, said the stock originated from 350-pound calves that were fed for five months shelled corn and clover hay. They made rapid and substantial gains on feed as Herefords usually do.
